Performer's Academy Newsletter San Antonio, Texas

Greetings!

Performer's Academy is proud to be the leading company in band and winterguard design, choreography, and performance education. We are dedicated to providing our schools with personal attention and a quality product.

We are excited and energized about the future of the marching band and winterguard activities around the nation and we are honored to lead the way with the latest innovative designs and show concepts!

Successful Marching Season

PA Bands 1st rate!

The 2006 Marching Band season was a great success for PA marching bands and colorguards. All the hot summer hours and after school rehearsals paid off as all PA Marching Bands performed to their highest potential at their competitions throughout the season.

We were very fortunate to work with some of the best marching bands in the area. Congratulations to Union Comprehensive HS (SC), Uvalde HS, Pace HS, Porter HS, and PSJA HS for a great season.

We would also like to congratulate Fredericksburg HS, Roma HS, and Alice HS for getting Superior ratings at their marching contests.

We were fortunate to work with the following bands who made it to the Area Marching Contest: Rivera HS and Los Fresnos HS. Congratulations!

Our local San Antonio Schools did a great job this season as well.

In their 1st season as a Varsity marching band, Steele HS placed 1st at the Roosevelt Rough Rider Marching contest and also

received rave reviews and a Superior rating at their Region Marching Contest.

Just down the road, Clemens HS also received a Superior rating at their Region Marching Contest and placed 2nd at a very competitive Judson Rocket Review coming close to winning the show!

Congratulations to both high schools from Schertz- Cibolo- Universal City School District for great shows this season.

In 5A, East Central HS and Madison HS represented their Region at Area Marching Contest. We were happy to help them get to that level of competition and cannot wait until we can do it again!

Performer's Academy is also proud to have worked with two schools who made it all the way to the State Marching Contest. Congratulations to San Antonio Taft HS who made it to the 5A State Marching Contest and Crystal City who placed 3rd in 3A at the State Marching Contest.

It was a record year for Performer's Academy. We are thankful for our Directors who continue to work with us and humbled by the increase of Directors who come to us looking for success! Thank you for working with us and we look forward to continued success in the future.

It's beginning to look a lot like

Winterguard!

As the weather gets colder, PA is warming up for the next Indoor Winterguard Season. Some guards have already begun working on their 2007 productions while others have been focusing on fundamentals and Holiday Shows.

Performer's Academy will be working with Uvalde HS, Fredericksburg HS, Taft HS, East Central HS, Madison HS, Steele HS, Clemens HS, PSJA HS, and Canyon HS during the indoor guard competition season.

With the success of our guard programs in the Fall, we are excited about what's to come in the Winter season!

Looking forward

Ready for 2007

Performer's Academy would like to wish everyone "Happy Holiday's and a Wonderful New Year".

2007 is already shaping up to be a busy one for Performer's Academy. Bands are already looking ahead to the 2007 marching season and wanting PA to work with them.

We have also expanded our summer operations to offer marching fundamental camps as well as our colorguard camps. Those spots

are filling up fast as well!

Thank you for all your support. As we look toward the future, we continue to see great things for our bands and colorguards. 2006 was successful and 2007 will undoubtedly be even better!

In the next issue...

"TMEA here we come"

"Winterguard in full swing"
